

Giving is on our hearts during this time of year and Huntsvillians have a HUGE heart!

Our mission is to serve the men and women who sleep on our streets and in camps not meant for human habitation. After years of service to our homeless friends we knew something had to change. We knew we had to address the gap found in permanent affordable housing with supportive programs.

We encourage you to GIVE TODAY! Let's make lasting change for our homeless men and women and together, we can bring them home.
